

2026 Eos TRC Event Calendar

Fundraising is essential to the work of Eos. Because our programs rely primarily on community support, events throughout the year help us care for our horses, serve our riders, and keep Miracles on Horseback possible as costs continue to rise. As you look over our event calendar, we invite you to consider the ways--big or small--you might be part of supporting Eos. Every bit truly makes a difference. Thank you for being part of our community and helping make this work possible.
