Auction Catalog

Updated 10/20/2026

November 7, 2026

Dear Friends,

Welcome to the Giddy Up Gala! I am so humbled by the outpouring of love and support from our sponsors, friends, supporters, community, volunteers and so many others who helped make this event a reality. My little-girl dream has turned into a lifetime of living with, caring for, learning from and loving horses. Eos Therapeutic Riding Center was born in 1992 with the help of two ponies, my daughter, 4-H members, my dear friend Debby, friends, families, and the Millville area business community-along with The Millville Lions Club. The "Miracles on Horseback" are made possible by the incredible horses in our care.

It's possible to quantify how much a building costs, how much a vehicle costs and to budget for utilities and such. But a horse is a living, breathing being. Keeping a horse healthy and in top shape is expensive! Equine dentistry, farrier services, routine veterinary care and vaccines, not to mention food, are all vital in providing a safe and satisfying riding experience for our riders. Which is the reason for the Giddy Up Gala.

I see the impact the horses make on our riders every session. From a first word to a first step, I have had the privilege of seeing riders achieve goals thought unreachable.

All of our riders have challenges; physical, cognitive, behavioral. Some are visible, some are not. They come in all ages and stages, from 2 years old to 97 years old, pre-school to retired. Some seek the comfort of the horse, some are just learning about horses. All benefit from the healing power of horses.

I want to say, "Thank You," to each and every person in this room, as well as to all the wonderful people participating in the online auction. I also want to say thanks to all the amazing people who have contributed to Eos over the past 34 years. Without you, there would be no Eos.

This night is about our horses – but it's also about showing our appreciation to the incredibly amazing donors who help make "Miracles on Horseback" a reality.

Giddy Up and Ride on,

Debbie

* Camping & Lodging: Options include the family-owned Love Valley Campground (featuring electric/water hookups and covered horse stalls) as well as local bed-and-breakfasts like Miss Kitty's B&B and cabin rentals.
